Principal's Report

Ed Rogers thanked the PTO for the staff appreciation luncheon and the conference meal. They were wonderful meals!

There will be no school January 13 and January 20. Teachers will be working on reports cards on the 13th and doing letters and reading training on the 20th. Report cards will be available online January 15. Winter assessments will be starting shortly.

They have begun hiring for the intermediate schools. The first tier is done (grade level teachers) and the second tier will begin shortly (essentials teachers). Thanks to the weather, construction on the buildings is ahead of schedule. Superintendent Bisgard will host Lion Learning Jan 14th from 12-1 and 5:30-6:30 at the LRC. He will be discussing the intermediate buildings.

January 13th there will be a school board meeting where they will be discussing start times for next year.
